ASH HOLLYWOOD

KATIE SUMMERS

## BUST A GROOVE

Dear FOX: You are, by far, the best jack rag around. I've tried choking my chicken to other skin mags and my nut doesn't bust nearly as hard with anything else besides FOX. I like how all of the girls in your photos sets are actually working porn stars and not just some random bitches from Ufuckistan or wherever. Not that I have anything against foreign pussy, please don't misunderstand me. But I like that FOX chases me in on dirty videos I just gotta see. Those on-the-set things you do are invaluable for a pornhound such as myself. I keep up on things pretty

good but I have a job so I gotta work so I can't pursue pussy all day and all night, as much as I'd like to.—L.H., in NY via email

## HAULIN' ASH

Dear FOX: Those thigh high black leather boots that Ash Hollywood was wearing in that photoset you ran of her a couple months back were fucking phenomenal. She looked so sexy in them I stroked myself raw that day I first got my hands on that issue. I have created a rather elaborate little fantasy in my head involving me, Ash and a couple pair of those boots that I'd like to share with you.

Or part of it anyway. I imagine that Ash shows up on my doorstep bright and early one morning right as I am headed off to work. She shoves me back into my house and locks the door and that's when I see she's wearing those boots and nothing else but an overcoat. I get turned on and she notices right away, taking off her coat then grabbing my crotch roughly. She asks if I like her boots and laughs because she can feel her answer hard in her hand without me saying a word. So she tears off my clothes and then pulls a much larger pair of those same boots out from a bag she had with her and makes me put them on.

29406

29174

I get even harder at the feel of the soft leather encasing my entire leg and the slight pinch on my toes. Then she makes me kneel in front of her and eat her out and I suck her pussy to the best of my ability. Every time she cums she pulls my hair, and by the end of the afternoon there are little bald spots all over my head from where she pulled a bit too rough. I don't mind at all, her pussy tastes like butterscotch candy. —*Dennis in NJ*

#### DOG WILL HUNT

Dear *FOXX*: I miss those contests you used to run years ago where readers could send in their names and win signed pictures of popular porn stars and sometimes their panties and stuff like that. I never won anything but I always entered. I have a booklet of signed things and pictures of myself with famous women because I go to the *AVN* awards conference every year that my work will allow me to take the time off. That booklet is my prized possession and the

one thing I'd grab if my house ever caught fire and I had to evacuate just myself and my dog but I'd be sure to grab that photo album on my way out the door. I keep it beside my bed for easy access, in case I want to flip through it when I am being intimate with myself or in case of an emergency like the aforementioned fire. —*Garret in TN*

#### FUCK YEAH!

Dear *FOXX*: Fuck Yeah! That's really all I've got to say. I'd actually write a longer email but this typing is taking away from my valuable wack time. —*Brian in MO via email*

#### NOT SO MUCH

Dear *FOXX*: Have you ever considered doing a "what ever became of" section, kind of like they do in *People* Magazine for old rock and roll and TV stars? I suppose that most ex-porn hos don't want to be found after they've left the biz, but some of the bigger and more famous ones might not mind as much. I'd

love to know if they went from being fuck whores to having a normal life with a husband and kids and stuff. Or if they ever did finish that degree that they were allegedly saving up for. It would be nice to know that some of these women went on to be successful after being suck-cessful, you know? —*Jon in TX*

#### HAS HIS HANDS FULL

Dear *FOXX* Magazine: I feel like more and more of these porn girls are keeping their tits as natural or is that just me? I love natural titties in all shapes and sizes. They just feel so much nicer in my hands and mouth than those giant fake ones. Although the fake ones can be mighty nice to look at, nothing can compare to the feel of a real pair pressed tight around my dick. I love to titty fuck almost as I love to pussy fuck. I can kind of take or leave ass fucking although I do like to look at photos of it while I rub one out. —*Doug in NM* 🐱

TESSA  
LANE

Here cums Santa Claus, all over Tessa Lane! She's one of his most favorite fuck-happy elves, and a few years ago when she asked for an orgasm machine for XXXmas, generous ol' Santa went the eXXXtra mile and made her into one instead. She digs confident guys and dirty talk, two turn-ons so easy to find that most days she walks around with her panties wetter than the run off from the melting ice caps at the North Pole. When she even happens to wear panties. Sometimes Tessa gets so hot that if she doesn't bother to stop whatever it is she's doing at the time and get herself off she starts to feel as if her box might burst. Thankfully, Santa slipped a candy cane colored cock into her stocking to help her out on those difficult days. Tessa loves the way it feels when it's inside her, it's just what her voracious little vage always wanted. 🍷

**DIRECTOR**  
BRANDO

**SLUT AND PUPPET**  
CHANEL PRESTON, KEIRAN LEE

**PIXX & ARTICLE BY JEFF HUBRIS**

20046

Brando is an extremely successful director whose talents were appropriated by Brazzers several years ago after a decent run at Naughty America. He lives an apparent life of comfort and relative porn industry affluence, shooting movies in and around huge, nicely appointed mansions that are frequented by beautiful porn starlets who sashay in and out of swinging porn doors with ease. Nothing is ever done on the cheap and it shows. Instead of a whip-cracking hell hole of fuck efficiency, Brando heads up a healthy, pornography driven encounter session where the customer's voyeuristic needs will be fully realized.

Chanel Preston is here to do an anal scene with Brazzers master penetrator Keiran Lee for a movie of Brando's own creation called *Fucked Betrayal*, but first there is an actual story that must be shot that includes a lengthy fight scene between Tommy Pistol and Lee.

"I'm killing off Tommy," Brando says. "This is another one of the scenes that they gave me where I get to pick my talent and come up with my own script. I really want to push the envelope but with that being said I want to make sure that what I shoot we're actually able to use."

Brando has already spent the balance of the day shooting the set-up for the bumping off of "asshole husband" Mr. Pistol via a bad business deal and other classic elements of betrayal. Wow! A plot!

"She's an unhappy housewife who has an asshole husband, played by Tommy, who treats her like shit," explains Brando. "Then along comes Keiran, Tommy's business partner, who gives her the eye and there's obviously some sexual tension there. Then of course her knowing that it's never going to happen she's able to just dream about it. The dream ensues and she gets her dream guy and gets to kill off her asshole husband. I think that I can get away with more when I'm shooting a dream sequence. This is going to be kind of a violent scene."

They rehearse the fight sequence that will take place across several rooms and involves the destruction of a perfectly good abstract painting hanging on a wall outside the bedroom.

After several run-throughs Brando rolls video. Tommy is thrown onto and breaks a collapsible table, among other things. He and Keiran beat the shit out of each other in a surprisingly believable, authentic-sounding punch-up. Tommy is killed off with two shots to the back and it's time for the post-fight bang out of his "wife." As the true crime TV show about real-life wives rubbing out their significant others *Snapped* proves, the ladies they do get horny immediately after hubby's demise. Post-mortem, it's always fucking time.

The art demolition episode and the fact that Brando and his production team are cruising curiously stress-free imply an environment resembling more of, say, a sex scene producing oasis rather than an actual porn set. No pressure, no screaming, no harsh words. Things are running smoothly and there's plenty of time to knock this puppy out because Brazzers owns this whole damned shoot house. It's not the back lot at Paramount, but that's okay because a breezy mansion on a hill is all you really need for pornos. Here at the Brando Erotic Power Enlightenment Seminar and Sex Scene Commune, everything is taken care of on so many levels before you even start your porn day. Climb aboard our magic carpet of porn oneness! Damn man, this is one weird fucking place.

Chanel Preston is very beautiful and projects a non-insane, lady-like manner. She cleans up extremely well, performs anal like a champ and has a pleasant, non-amphetamine driven personality that scores a very high PISS (Porn Industry Sociability Scale) rating on this commonly accepted and useful barometer of porn girl friendliness and enthusiasm.

"I'm excited because this is the first opportunity that I've had to shoot Chanel Preston," says Brando admiringly. "I'm able to submit a wish list of girls that I want to shoot and for some reason I've never gotten her. I've asked 4, 5 or 6 times and they never gave her to me so I just had to pick her myself and I'm looking forward to it. So far no complaints from her and we've been her since 8:30 this morning and it's almost 4:00 now and she hasn't complained once."

To prove that she's an extra good sport, Chanel even allows me to capture rare photos of the much whispered about Pre-Scene Butt Plug Protocol. This all-important preparatory step encourages the pliability and compliance of the soon-to-be violated porn girl sphincter and is usually a very, very private matter.

Brando is ready to roll video and calls all participants to the bedroom.

"I'm going to let you guys just flow," he says. "The only thing I need from you is just be aware of the camera. This camera is going to be flying all over the place. Lick the ass. Make sure that I can see everything. A couple gapes would be great. Once you get started you guys know what to do. You have good chemistry. I've watched your scene before and you guys did a great job."

**CHANEL PRESTON:** I've been working a lot but I've been in and out of town. I was in Chicago and then I was gone for weeks in Alaska and then I went to Comicon. I've been sitting here thinking that like I've been busy every day. I'm only shooting three or four times a week. I told my agent Mark Spiegler that I only want to shoot four sex scenes a week so if there's dialogue days that's okay. I'd ideally only like to be shooting maybe two a week because it is hard on my body, you know? I enjoy it more when I'm shooting less because it wears you out. It's exhausting.

I really don't have a personal life. I moved here in April and I've just been working since I got here and have been trying to get settled. I really don't have a personal sex life either because I broke up with my guy when I moved here. I haven't even gone out and done anything I've just been so busy. I'm not really interested in dating people that are in the industry so I really have to make kind of an effort to meet people outside of the industry, which I really haven't yet. Maybe when I get a little bit of down time I might make an effort to meet people outside of the industry. That's kind of my goal.

Kieran Lee enquires as to the desirable level of intensity and extracurricular fuck-related activities.  
"Animalistic shit!" Brando yells. "If things fall and break? We like things that break. It turns us on when things break because there's no regard for what's going on. All over the place! Everybody ready?"  
Lee starts making out with Chanel, who has been calmly watching the proceedings from her bed. Things happen quickly. There's a pussy munch, a BJ and a very respectable power fuck before the action switches to anal. Chanel seems the decorous, highly adaptable type, equally at home during a pleasant, polite society gathering with mom or screamingly inhaling tube steak in her orifice of choice in front of a video camera.

**CRAWEL:** Do I hate sex because I have it all the time? No, actually. When I used to come out here and work all the time it would actually make me more horny. It would actually get me rubbed up. Obviously, when I'm working a lot, yeah, I'm tired. That's kind of why I'd like to ideally regain sort of a normal sex life and shoot less. I don't need to be out and about just trying different people out because I kind of do that for work. I know that it is different to have sex with someone not on a porn set. I would just like to find some regular citizens. I'm just not really that interested by anyone in porn. It's a challenge for me and I'm curious as to how this year will turn out as far as my personal life.

I use vibrators and butt plugs, or I'll just put a dildo in my butt. I can actually orgasm from anal sex. That pressure really makes it go WHOOOO!

BRANDO: Enjoy the spooge. If for some crazy reason—which is unlikely—it gets in your eye, you gotta just roll with it because you're a Spiegler girl!

The hackneyed stereotype of the "lady on the street and a whore in bed" is perhaps a corny if not...er...hoary concept, but in a sea of drugged out, ill-mannered teen porn-bookers, a real life example of the ultimate madonna/whore anomaly that defines the traditional object of desire for men of upstanding pedigree stands out. In another life, Chanel Preston would have made a great porno first lady, executing her highly visible and proper public duties in addition to a sleazy repertoire of POTUS pleasing, royal bedroom perversions with equal aplomb. She ends up taking a big load in the face and smiles through the stills after a brutal multi-orifice bang out. Brando is satisfied. She heads for the bathroom with a face full of glaze, still a good sport, wearing the facial like a new piece of jewelry. Owning it.

"I woke up XXXmas morning and found that Santa had left me the most incredible present imaginable—real, live porn goddess Aria Aspen asleep on my couch! At first I thought I was still dreaming but her shit was everywhere—girly crap all over my coffee table and whore clothes in little heaps all over my floor. She was sleeping pretty soundly but I had to wake her up, and when I did she said she was horny. She found a couple of dildos from amongst her stuff, got naked and started doing her thing right in front of me. She spread her legs and pulled her fat pussy lips apart. Damn, she looked so good. I watched her cum with a weenie in her cunt hole and a finger in her ass. This babe sticks a finger up her butt while she gets off! Thanks Santa, I knew you'd do me right one day." 🐱

# Alexis Texas & Bill

'Twas the night before XXXmas and all through the house, not a creature was stirring—except for Bill, who was busy buffing his weasel in front of the TV. The sound of him strokin' it titillated Alexis, who decided to sneak in and surprise him with a Holiday quickie. She snuggled up next to him on the couch and began giving the plum-colored tip of his sugar stick some lip. Bill, who happens to be a bit of a freak, was psyched that she was wearing little more than the warm woolen booties that he'd given her last XXXmas. He tugged them off to lavish tons of attention on her sweaty tootsies. Alexis trailed her piggies the length of his prick just before Bill began to ball her. Overcome with the spirit of giving, she twisted her body so he could tongue her toes at the same time his tool was inside her. He banged away till it was time to bust a nut, which he did all over her pretty pads. Alexis loves soaking her soles in spunk. Merry XXXmas and Happy Spew Year!

# KATTLE ST. IVES

2004

PHOTO by Rick Shameless

It took a little bit longer than usual for cute little cum dumpster Katie St. Ives to get into the XXXmas spirit on the lot this year. While all her whore pals were busy bedecking themselves in their tinniest tinsely unmentionables in anticipation of getting their jollies with that trucker old St. Dick, Katie fretted she'd be forgotten and wind up without any presents. But when she went to her cab she found a big plush bear and a glass dildo waiting, gifts from her smutty secret santa. Avid toy-lover Katie was beyond delighted so she stripped bare and stuffed her muff, getting ready to get off while smuggled deep into the arms of her fuzzy new friend. As she stuffed her snatch sticky with HOLIDAY cheer, Katie finally mapped out of her slump and began to rejoice in the full fucktacular splendor of the XXXmas season. Then when she had a magnificent, clam-clenching climax, she swore she heard an angel sing. Hark!

DIRECTOR  
IVAN

SLUT AND PUPPET  
VICTORIA WHITE, TONI RIBAS

PINXX & ARTICLE BY JEFF HUBRIS

82

30048

Taking cellphone shots of herself in a mirror, Victoria White and her body smile at the prospect that there is a party taking place here that could very well get better. Whatever happens next will not be boring. This is an action movie with explosions taking place every minute or so. You just can't turn it off. The danger is beautiful. You're in love. You can handle it.

She used to be a lot more laid back. Something has happened. When I first ran into her like a year or so ago she had already been doing porno for six months but one foot was still in the outside world of normalcy. The crucial River of Strife that separates evil Pornoland from The Other Side where the squares live had not yet been completely traversed. Now, for better or worse, that ultimate journey is complete. The glow of XXX shines from within. Victoria White has been Pornified.

PUBA honcho and famous director Ivan has mentioned that her bang out with Toni Ribas will take place primarily in standing position or on a tile floor with only a chair for variety.

"You know, I was working in Vegas two days ago," Victoria says. "It was an all anal scene and he just like picked me up and was fucking me standing up and it was so cool. It's my new thing now. I love getting fucked in my ass standing up. I came so hard I squirted all over him. I even got it on the camera. Holy fucking shit!"

After Ivan's photographer Steve shoots a set of posed pretty girl stills, Victoria stays naked and stops at the mirror again for some more self-portraits before heading into Ivan's office to fill out paperwork. Ivan whips out his point-and-shoot and begins a video interview.

*Ivan: They's a tough performer. What if he chokes you out?*

*Victoria: Just revive me please. That's all I ask. He woke up and the whole crew is giving you a bubble.*

*I know, I wake up and all of my holes are filled. What? Gaping? Oh my god! Where's my purse?*

*You have very long legs. How tall are you?*

*I'm like five-nine.*

*Can you put your legs behind your head?*

*Oh yeah!*

The legs go behind the head easily. Victoria White ran cross country in high school so the endurance and flexibility necessary for extreme porn athleticism are there. She flips the bird to the camera. Read the face. Behind the eyes are evil fun and money. This is a perilous carnival ride. You're fucked.

She gets into a bikini and Ivan starts another video interview that he shoots with his laptop camera. This allows the PURLA/Victoria White followers out there on the intrawebs to make a buying decision regarding the upcoming sex scene which will be broadcast live.

"It's gonna be hot," she says. "Do you guys like my bikini?"

Ivan asks her what the viewers can expect today.

"I've worked with Toni Ribas before and he definitely knows how to rough a girl up which I really, really like and it's going to be all standing positions. No laziness, nothing like that. He might pick me up and throw me. Oh my god I just don't know what to expect! I haven't been fucked in two days so I really need some dick in my life right now."

Ivan fields another question: "Mr. Kush Kush' wants to know: when you realized you were a dirty slut?"

"Um," says Victoria. "You know, I was really, really shy before I got into the business. Like super, uber shy. Probably when I was like twenty-one. I was totally a good, good, good 'I'm just going to go hide and read and stuff' type. Now I'm like WHOOO! Now I love to suck dick. It's like my favorite thing. I love it so much."

Someone else wants to know if she's going to do anal today.

"No anal today, sorry. I've been having a lot of ass sex lately. Soon to come for sure."

Victoria's bung is still in the recovery room after an intense fuck two days ago.

"It's so funny," she says. "When we were taking stills just now I took my panties off and I was like, *My ass hurts so bad!* Because, seriously, I got pounded so fucking hard I was like prolapsing. I stuck it back in though so we're all good."

The prolapsed asshole is a great object of fetishistic desire to those who appreciate the erotic power associated with a distended, visible lower intestine.

Another viewer, wanting even more, writes in asking to see Victoria's asshole after this breaking prolapse news. She spreads her butt to the camera and elaborates.

"I'm so dirty," she says. "It's okay. It always goes back in. Lost a couple spokes but who cares? Fuck it! It'll grow back. FUCK IT!"

Ivan doesn't miss a beat amid the shockwaves: "A lot of these guys really think that they can come and fuck porn chicks like troopers," he says. "We've all seen the fan fucks."

"Oh my god, yeah," she replies. "It does seem easy. I'm not a guy or anything but I wouldn't know how you couldn't keep it up for a hot girl but some guys just can't."

"Just because you have a fast Honda doesn't mean that you can compete in NASCAR," says Ivan.

"Exactly!" says Victoria. "Not analogy."

Ivan announces that the pay show is about to begin. The set is a checkerboard floor with white walls and a chair. Victoria asks Ivan to wait and asks for a wet cleaning cloth to wipe down her soiled dogs.

"I have dirty hooker feet!" she frets. "Dude, these are so hooker feet. Look there's blisters and everything like I was running down the street as a hooker. I HAVE DIRTY HOOKER FEET!"

A viewer named Milory asks if he can lick them. She immediately contorts her foot up to her head and starts toe sucking.

"Ooooh I actually like my toes being sucked on," she says, foot in mouth. "I can probably do my whole foot. All my dirty, filthy toes."

**VICTORIA WHITE:** Last summer was real slow but I've been starting my site and everything so I've been doing a lot of content and it's been nice to have a little bit of time off and create more ideas for what I want to do for my website. ... Just the past few months I've been doing a lot of anal scenes. I think my favorite was probably two days ago with Ramon Nomar. It was hot because a lot of people say that you can't cum if you have a dick in your ass but that is so not true. Oh my god he was picking me up when he was standing fucking my ass and I came so hard I squirted all over him. ... But it depends on the girl. Some girls don't even like it in the butt but I'm a dirty, filthy slut and I love it. ... Is my ass okay? If not I'll push it back in. I spent all day yesterday pushing it back in it's so fucked. ... I've been doing anal in my personal life forever. I haven't done a boy/boy DP but I've done a girl/girl one. ... Can you just speak to me in Spanish the whole time? Just like you were talking to me last time when you were calling me a dirty whore and a filthy dog?

"We do Toni Ribas' site too," says Ivan. "It's called hard-gonzo.com. He gives us content when he goes back to Europe and then he comes here and shoots some. With Toni Ribas you have to be selective because the girls run away from him or run towards him. Girls either love him or hate him because he's a very 'energetic' performer. So Victoria called a couple days ago and said that she really wanted to shoot and Toni's been on my ass to shoot content for his site because he's leaving soon. She wanted to work with him because she's worked with him before. He spit in her mouth, he fucked her, he stuck his feet in her mouth. It was a crazy scene."

Ribas enters erect and Ivan rolls video. Like every successful human enterprise, this one starts with a BJ and leads to harder, more complex acts of perversion. The Spaniard delivers an absolutely brutal fuck that spans chair mish, doggie and cowgirl and a mindless up-against-the-wall standing doggie. They slam to the floor for cowgirl and reverse, ending with an up against the wall jerk to pop. One or two short breaks. A solid powerfuck from start to finish. Like running a fucking marathon.

Victoria poses for some shots with dripping sperm face, then heads back to the makeup area to wipe down and head out. Let the day begin.

"I'm going to go and shoot another scene right now," she says hurriedly. "I'm going to fix my face right now and be a dirty, filthy slut and probably won't even shower. Fuck it. I'll go there with cum still on my face and be like, *We, let's do this!*"

This party never stops... Nasty girl. All sweat and freshly wiped down cum face. Relentless. Victoria White is a Fucking Porno Animal. 🐱

## @Kaylee Hilton

By @Gabriel\_Lan

Kaylee Hilton. If you don't know that name already, write it down because you will soon enough. She is one of the hottest young up-and-coming superstars in the industry. Her beautiful face and innocent looking, braces-filled smile conceals a body built for sin, and a no holes barred attitude that never disappoints her growing legion of fans. Don't be fooled though, she may not look it but this is one tough chick, mature beyond her years. Kaylee's not your typical, garden variety porn whore by any stretch of the imagination. She is a whole lot smarter and more savvy than you might imagine. She has her stuff together, and her rise to the top of the adult world is just a matter of time. Her 7,000 followers at the time of this interview will likely double before the new year, as more and more of her scenes are released.

**@Gabriel\_Lan**

Thank you so much for agreeing to this. You are easily one of my favorite people not only in the industry, but just in general.

**@kayleehilton**

Well thank you! Not a problem at all. I have been looking forward to this actually :)

**@Gabriel\_Lan**

Awsome. Me too. So, tell me about this fight you got into with Goofy while you were at Disneyland. What happened?

**@kayleehilton**

Ha is this going in the interview? ... Ok I came in to Disneyland and we saw Goofy right away. Nobody was even by him so we walked up to him

**@kayleehilton**

I was going to take a pic of him with my kid. Then this huge crowd of people came up after us and the bastard told us to go to back of the

**@kayleehilton**

line when we were first. I said some words. I think I even made some up words and we about got kicked out. We didn't go up to another

**@kayleehilton**

single character the whole time. I was so pissed!!

**@Gabriel\_Lan**

So you are actually a mother, correct? How does it feel to be the hottest MILF in the history of MILFs?

**@kayleehilton**

Awww thanx! Funny I work with a lot of ladies playing my mom and they don't even have kids yet I actually do..

**@kayleehilton**

But it feels good to know I'm a hot mom. I get best of both worlds I play young girl but I am really a mill

**@Gabriel\_Lan**

There are a lot of industry girls that were teenage mothers actually. How much better would MTV's "Teen Mom" be with porn girls?

**@kayleehilton**

Dude it would have been way crazier. My life makes those girls lives look boring. And now being a single mom in porn is even crazier!

**@kayleehilton**

Who else can say their baby sitter is a porn star, right?

**@Gabriel\_Lan**

By my rough estimate, you've been through at least 5 cell phones this year. Why are you so rough on phones? LoL

**@kayleehilton**

Actually I believe it has been 8 lol. I am super clumsy. I am always messing something up usually my phones. I think I just have so much on

**@kayleehilton**

my mind that I don't pay attention, you know? Like when I drove with a phone on top of my car.

**@kayleehilton**

Also, I have 2 phones at all times giving me twice the chance to mess up lol.

**@Gabriel\_Lan**

Didn't you get your 1st ticket ever for texting while driving? Be honest, you haven't learned your lesson yet, have you?

**@kayleehilton**

I did. My first ticket ever here in Cali... I stay off the phone as much as possible now! I am scared of more tickets lol

**@Gabriel\_Lan**

I believe you get more than your fair share of pat downs at the airport. I have a theory, but what do you think is the reason why?

**@kayleehilton**

I do strangely enough. I wear the least amount of clothing that I can just to avoid pat downs.. I think it actually has the opposite effect!

**@kayleehilton**

Sucks cuz I'm always in a hurry and I always get someone who is particularly rough with it. I like it rough but not at 5 AM at the airport

**@Gabriel\_Lan**

Your job includes lots of travel. What are some things that you can't travel without?

**@kayleehilton**

My butt plug in case of an anal scene cuz I have a tight butt ... gotta warm up :-). Also must have lots of bras and panties.

**@kayleehilton**

Toiletries of course, but I can't fly without my ipod and a good book.

**@Gabriel\_Lan**

Didn't you return from a trip and find your car had been hit while at the airport? What happened with that? Hit and run?

**@kayleehilton**

Hit and run at Burbank. They bashed in the side of my Mercedes that I had taken such care of before.

**@kayleehilton**

It happened while I was up in San Fran at Kink for a couple of shoots :-)

**@Gabriel\_Lan**

You've appeared in several bondage type fetish scenes. Do you think that 'dirty little slut punishment' helps keep you from becoming a brat?

**@kayleehilton**

Yeah, I enjoy bondage. It relieves a lot of my stress and keeps me grounded and makes me appreciate orgasms even more!

**@Gabriel\_Lan**

You started off doing IR, anal, DPs right out of the box. You have an interesting take on girls that hold out on these acts. What is it?

**@kayleehilton**

With all the girls competing for shoots in such a poor economy where everything is pirated before it's released it's not practical build up.

**@kayleehilton**

If you say no, there's a hundred girls who look like you and will do it, so make your money while you can or else you cut yourself out of

**@kayleehilton**

all the young girl, IR, and anal stuff. People don't care like they used to. And I get a lot of credit for starting out hardcore!

**@Gabriel\_Lan**

A quote from your Twitter: "If I wrote every thought I had on Twitter... ppl would think I was a total perv" - really, aren't you a perv?

**@kayleehilton**

I am worse than a guy! I think about sex every 5 seconds =)  
I am a dirty girl with tons of dirty thoughts hehe

**@Gabriel\_Lan**

Do you have a funny code name for when you masturbate, like "spanking the monkey" or "choking the chicken"?

**@kayleehilton**

Haha nah... When I used to do it a lot it was just not talked about. Now its just masturbating :)

**@Gabriel\_Lan**

What hurts worse, being hit in the face with a 5lb weight or a curved dick jammed in your ass incorrectly?

**@kayleehilton**

Ooh close one as both have caused me blood haha. The braces made the weight really hurt.. but the dick is worse!!

**@kayleehilton**

OMG it was agony cuz I still had to do a DP after that.

**@Gabriel\_Lan**

That was a rough day. I remember you saying you cried on set. Is that the worst thing that's ever happened while shooting a scene?

**@kayleehilton**

It was rough but so worth it. It came out great. Nah, I consider like a couple other scenes much, much worse.

**@Gabriel\_Lan**

I know you were wondering, did you ever figure out how many cocks you've sucked since you got your braces?

**@kayleehilton**

I think I've sucked probably about 600 cocks with braces on. I have to guess... I wish I had written it down Lol.

**@Gabriel\_Lan**

Any idea when you might be getting your braces off? Its kinda your niche, but you've got plenty of other "assets" too.

**@kayleehilton**

Yea I am pretty fond of them, but I am getting ready to get them off. I really don't have much time left.

**@kayleehilton**

but orthodontists always extend the time over and over lol

**@Gabriel\_Lan**

For someone with a self described "shallow pussy", you've taken some big cocks. Is that part of why you're so adept at anal?

**@kayleehilton**

For sure. It is much easier for me to fit things in my butt. Its more stretchy :) I prefer small cocks in my pussy.

**@kayleehilton**

Length tends to make my pussy sore, and girth tears me up. I enjoy both, but anal has helped me out a lot :)

**@Gabriel\_Lan**

You had an interesting adventure on a trip to Miami for a shoot, and had to be saved by the cops. What happened?

**@kayleehilton**

Haha yeah. First time in a cop car. Me and a friend were walking to a gas station at 2 AM. The cops pulled over to tell us it was dangerous

**@kayleehilton**

to walk as there was a serial killer or whatever. So, on the walk back a Hummer followed us and we freaked out. The cops drove over and

**@kayleehilton**

grabbed us. We got lucky. There was a guy walking that looked pretty scary too. I thought we should have given the cops blow jobs for saving

**@kayleehilton**

us but my friend thought it was a bad idea, so we didn't lol.

**@Gabriel\_Lan**

What would you like to do after you quit shooting porn?

**@kayleehilton**

Oh, I think I will go back to Kansas and go to college to become a nurse, but who knows? Things change from day to day.

**@Gabriel\_Lan**

Speaking of Kansas, life there is surely very different than life in L.A. How often do you get back home?

**@kayleehilton**

It's a different world for sure! I rarely get back. Whenever I go to book a trip home, I get booked for a scene.

**@kayleehilton**

I'd much rather just work. My friends understand that :)

**@Gabriel\_Lan**

You've done some feature dancing before, too. Is that in the past now, or something you plan to expand upon?

**@kayleehilton**

Hmmm I would love that. I really enjoy dancing. It's something I think I am fairly good at doing.

**@Gabriel\_Lan**

You've been dubbed by yours truly as "The Sexiest Woman Alive." Do you think you're sexy?

**@kayleehilton**

Thank! I think I can be, but sexy is an attitude thing mostly, so I am very capable of being sexy when needed. Thank!!

**@Gabriel\_Lan**

Since this will run in the "XXXmas" issue, what do you want for Christmas this year?

**@kayleehilton**

I want... hmmm... I usually think about what I'm getting other people. I guess good sex, I guess. That's always nice!

**@Gabriel\_Lan**

That is nice! both thoughts actually... Do you remember what the best Christmas gift you ever received was?

**@kayleehilton**

That's tough. When I was little I loved Barbies. I got a lot of those. Like I said, gift receiving isn't something that's a big thing for me.

**@Gabriel\_Lan**

If I write a letter to Santa this year, do you think I'll get my wish of you bound, naked, ball gagged and butt plugged under my tree?

**@kayleehilton**

That's a daily thing for me, so its a good possibility :)

**@Gabriel\_Lan**

Well, if you do end up under my tree, you'll enjoy all the great food served, plus your favorite for dessert—the creampie!! How's that?

**@kayleehilton**

I love creampie!! :)

**@Gabriel\_Lan**

Well, I guess I should start planning all the nasty things I want to do with you then, just in case I get my wish. Merry Christmas, Kaylee!

**@kayleehilton**

Hahaha I'm so down for that!

Do yourself a favor and jump on the bandwagon early. You can follow all of Kaylee's dirty adventures on Twitter at [@kayleehilton](#). VICTORIA LAWSON

PXXX by Steven Andreas

2004

Some girls are just so beautiful that it's beyond nice when they're naughty. Take Victoria Lawson, for example. Her fresh, natural, girl-next-door loveliness makes her a joy to behold. 'Tis the season to be slutty and Victoria is as eager to dickorate as anyone but somehow she really stands out from all the other ho, ho, hos. This Michigan native learned long ago how to keep her horny self all moist and warm all winter long. When it comes to selecting a suitable pseudo stump with which to tree her trim, Victoria forgoes anything red or green in favor of a far more festive fuckstick—she choose one that is shiny and metallic to push inside her precious puss. On XXXmas Eve she has a special tradition of giving herself an orgasm before falling asleep naked, leaving her cookie and milkshakes out for Santa. Every year she hopes he'll cum down her chimney and snack on her honey-soaked snatch. 🐱

On a sunny afternoon inside a dank San Fernando Valley soundstage sit Asa Akira and Dane Cross waiting to shoot the very last sex scene for 3rd Degree's *Official Big Brother Pornoly*. Director Nate Liquor has been called out of the country for other porn purposes at the last minute. In his place to shoot the finale is the widely celebrated director/comedian Mike Quasar, who will be making sure that the magic is committed to video with the utmost porn...um...intelligence.

Asa Akira will be playing Julie, a parody of the host of the actual hit TV show *Big Brother*, who is hot and rich and powerful yet decidedly not a slut. She's re-made as a total fuck muffin in this new, improved pornographic version and will be banging it out with Dane Cross, who plays a guy voted off by the other contestants for being extraordinarily creepy. It's a time for reflection.

"I'm the Steve Buscemi of porn," says Cross. "Except my teeth aren't as fucked up."

Asa has slipped into a conservative, black outfit. Work certainly has been picking up for her lately. The porn parody craze yearns for diversity.

"I think that there's a shortage of Asian girls right now in porn so I think that works out for me," she explains. "It's definitely worked in my favor. There's me, London Keyes and Jessica Bangkok and every movie kind of wants an Asian in it."

Quasar rolls video. Asa's "Julie" informs contestant Dane that he's been voted out of the house.

"So Dane, how does it feel to be the first one eliminated?" she asks.

"Actually, it dealt a death blow to my self-esteem," he answers creepily.

Now that the conflict that can only be resolved by sexual activity between characters has been established, there's only one thing left to do.

"You're going to begin by taking off her panties and licking her vagina," Quasar says to Cross. "But not for long, because it's boring. Do it in a hardcore fashion and from here you guys can do whatever the fuck you want."

To make things easy, it's always a great idea to make a note of how the girl in question likes to get fucked and proceed accordingly.

"What do you like?" Asa asks Dane. "I like mish. We'll do one I like and one you like."

Wow! Nice. Asa cares enough to be way ahead of the curve on the porn mutual satisfaction scale.

"I like mish too," Cross says.

"Okay, so we agree on that one," Asa answers methodically.

"What's your other favorite? I like spoon. Mine would be mish, spoon, doggie in any order."

Dane Cross thinks for a minute and says, "Let's just start with the cum shot actually, to get it out of the way."

Levity can be either a great, non-narcotic enabler or a hindrance to porn-set flow. Not to be outdone, Quasar has a story.

"Back in the day we had a saying that sounded like the name of a Bavarian courtesan or something," he says. "Like the order of the sex scenes would be 'mish-conspoonpop! Is that your name? No, that's what we're gonna do!'"

There is a sense of friendly urgency in the air. People want to knock this puppy out asap.

"Alright," Quasar says commandingly. "We can be out of here in fucking twenty minutes. Let's do it."

Quasar shoots the mutual diorobe and Dane licks Asa's crotch in a hardcore fashion. She hoovers tube steak and they dive into some couch doggie. It's an impactful bang out that hits all of the discussed positions. Asa Akira delivers an extremely fun and authentic looking fuck. I would go so far as to say that she has some actual, legitimate God-given flair in this area. You'll just have to view her "work" on your own to make a subjective evaluation, but I am sold.

**ASA AKIRA:** This is cool. I don't get to do a lot of parodies and most parodies don't call for an Asian girl. ... When I first got in the business I wasn't in a relationship so for the first year the only time I got laid was at work. Then I got in a relationship and I started having sex pretty regularly outside of work. ... I've always gone through fantasies pretty quickly I think. It's always changing. I'll be into one thing for like a month and the next month it's something else. I'm really into anal right now. I've been kind of obsessed with it and have started doing it a lot in my personal life too. When I watch porn now it's like anal porn. ... It's weird, when I cum vaginally it's like this screaming orgasm but when it's anal it's like I just hold my breath the whole time or something. It's like hitting the same spot in your vagina but from the other side. It feels fucking awesome. ... I just got my driver's license not too long ago. I had to take the test six times. What they say about Asian people is 100% true! ... I'm living day to day. I want to do this until I'm sick of it, and I'm not even close. ... I like everything.

**DANI CROSS:** I'm just happy that it's not some gross couch in some warehouse loft and sea degrees.  
**MIKE QUASAR:** When guys complain about the furniture or that it's hot, but they're still having sex with some really hot chick...I'm not sympathetic.

There's a break to figure out the pop preferences.

"Do you swallow?"

Quasar asks.

"If you like, yes," Aza answers simply.

This practice is becoming increasingly unpopular with the porn girl of today, so an affirmative answer without hesitation, especially from a star ringer who can afford to be finicky, is usually met with some degree of shock and awe.

Says Quasar: "When I actually think about it...it makes me want to seek treatment, but that's okay. Put her in whatever position that it's comfortable to drop a load from. And then...*please do.*"

**QUMSAR:** You could even move to that chair if you want. You could do some kind of cowgirl there or some doggie thing. ... Never mistake Clorox wipes for baby wipes. Just sayin'. ... This is good stuff. Quality pornography. Big fan. You, Asa Akira, are at least the ninth and tenth wonders of the world. Maybe not be quite as good as Stonehenge, but... Quality stuff.

The fuck re-starts in couch mish and upon delivery, Cross gives the high sign. Asa quickly jumps into kneeling cum receptacle position and scarfs down the load. It all happens fast, like a flash robbery, then it's over. She's quite the bang out artist, this one, with a discernable talent for carrying out the sexual act with deadly precision. I predict a very bright porno future ahead. She's all killer no filler. Like every time. Asa Akira really fucks you back. 🍆

ALLISON  
MOORE

10050

PIXX by Chris King

Rudolph aint got nuthin' on molten hot mama Allison Moore. Her bright red mane is a beacon for lusty, well-hung young bucks. While her fiery locks may be what first grabs a guy's attention, 'tis the sight of her superbly-sculpted bod that ends up enticing that buck to rub. Even when she's all on her own without a stud to mount her, Allison's cunny never wants for some satisfaction. That's because orgasms are very dear to her. Although she may not know any reindeer games, Allison is an eXXX-pert at playing with herself. Her favorite HOLIDAY pas-time is patting her bunny, be it Easter, Flag Day or New Year's. She has jilled off more during her lifetime than any Jack has ever hammered, and she's especially skilled at toying her twat. Which is why she's perfectly content to spend this XxXmas solo, making all of her wettest dreams cum true. 🦌
